School Trips

We really value how much our children benefit from learning in different settings which is why we arrange school trips at least once a year for each class.

I would like to thank all the parents and carers of Y6, Y2 and YR who ALL paid the full amount for the recent trips the children enjoyed. It makes such a difference as, although the contributions are voluntary, we would not be able to continue offering these learning opportunities if we made a loss. Again thank you very much.

We are feeling very proud

I had the opportunity to show another local Headteacher round Holly Trees this week. I felt so proud of the atmosphere, behaviour and the quality of work produced, which were all excellent. I know it is always like that but it is emphasised when "showing off" to someone new!

Letters that have been sent home this week

Wednesday – piano lesson letter
Friday – Basketball team letter

Pamper Evening

The Pamper Evening just before the holiday was a great success raising nearly £540. This has immediately been used to buy some new Visualisers for the classrooms. Thank you to the therapists and stall holders for helping it to be a success.

Soak a Teacher

The Y6 children raised £135 from this event to help save a species. Well Done.

BOOT SALE TOMORROW

If you would like to have a pitch at our Boot Sale tomorrow, you may pay at the gate (£10) as long as you are a parent from our school children.

If you are buying, the gates open at 10am and the Sale will finish at 1pm.

You are only allowed a maximum of 10 days, in one holiday, as long as your child's attendance is above 90% for the preceding 12 weeks.
