Well done Year 6.

The children in Y6 have done us proud this week by having such a fantastic attitude to their tests. As you know, we debated whether to carry out the tests or not, but once we had taken the decision to do them, we wanted our children to do themselves proud. Regardless of the results which will arrive in June/July, the children have really tried their best and have behaved superbly.

I would like to congratulate the Y6 staff for helping the children to feel at ease and confident as well as all the staff who have helped during the week and over the last 7 years to enable the children to do their best. You can't ask for more!

Well done everyone.

French Day

We have had the most amazing cultural day today with French songs, games, dance and food. The children have learnt so much – do ask them about their day when they come home!
