HOLLY TREES PRIMARY SCHOOL

Newsletter

Environmental news

This is Eco-news in its broadest sense.

Firstly, you will be pleased to know that Mr Fulker has returned to work today having been stuck in Rome as a result of the Ash Cloud. We do have a couple of support staff still trying to get back and a number of children but hopefully we'll be back to full strength during next week.

With regards to some issues closer to home, we are still needing far more clear, 2 litre, fizzy drink bottles to build our Eco-greenhouse. Please bring them in washed out and take them to Larch

Class.

We are also having a Willow Dome pruning session on Tuesday 4th May at 9:30am. Parents, grandparents and friends welcome – refreshments provided!!

Attendance – remember we are trying to reach our school target of 95.4%. At the moment we are a bit behind at 94.7% so make sure you send children to school whenever they are fit to attend. Please try to avoid holidays during term time. Thank you.

Events – photos and pampering!

We have set dates for the children's class photos. Y2 will have theirs taken in the afternoon of 29th April. All other children will be photographed on Wednesday 5th May (Y2 are on a trip that day!). Make sure your children are in their best school uniform on those days.

The Fundraisers have arranged another event on 20th May – a Ladies' Pamper Evening. There are posters up and you should have received a flyer in the book bags. The tickets (£2:50) will be on sale next Wednesday in the morning as you drop your children off at school and then on some other dates following.

The project that the Fundraisers have agreed to raise money for is that of providing the school with Visualisers which enable us to share and celebrate children's work more easily in class.

Mrs Walsingham

Congratulations to Michelle Bedford, one of our MDAs, who got married during the Easter holiday and is now Mrs Walsingham. We've seen the photos and she looked beautiful.

Letters sent home this week

Monday	
Tuesday	Science Day Swimming – summer term Road Safety
Wednesday	Yr 4 swimming badges Apple class support letter
Thursday	Wildlife trust
Friday	Pamper Evening

Forward planning – important events.
