Y6 results

I am delighted to announce how pleased we are with our Y6 children's progress this year. They have done us proud. Many of the measures of progress attained, mean that we have achieved progress levels in line with the top 25% of schools in the country. Well done to the staff who have worked with these children, the children themselves, and of course, the supportive parents.

School Fete update

What a lovely day it was on Saturday – even the weather was kind to us. We raised a superb £1150 profit which will provide the Visualisers for the classrooms and hopefully provide new school tracksuits for sports teams. The next project will be to provide more benches for the children at playtimes.

Many thanks to all of you but particularly to Jackie, Helen, Penny, Nicola and Suzanne who planned the whole event.

School uniform

Some of our children's uniform is beginning to bend the rules a little and I would like parents to make sure that new uniform for September is in line with school policy.

Remember that children should wear polo shirts with the school logo, or summer dresses, not shirts. The cardigans must be burgundy, not red and black school shoes must be worn unless your child has sensible sandals.

I would also like to remind you that orders for uniform online should be made before 1st August.

Summer holiday homework

The children will all be set their Summer Holiday homework next week which will be about an author chosen by the teacher. I will also post it on the website.

Basketball

Well done to the Y2 children who took part in the basketball competition on Thursday. They didn't win any matches but had a great time and managed really well in the heat. Thank you to the staff who accompanied them too.
